

# Create-Your-Own Melody #2

YOU!

In the clef of your choice, write your own simple melody using concert Bb, C, D, F, and G (C, D, E, G, A for Bb instruments; G, A, B, D, E for Eb instruments; F, G, A, C, D for F instruments).

Use whatever rhythms or rests you like... just be sure there are four full beats in each measure!

Then hit record and share it with #dbpractice!
